1

per
ception

inception viz vision

in clusive
the clue being
trust

as in just the two of us
eyes i mean

trod read being eyes following
hear not more than
is this hand open meant it to be
fed

sky where eye

(took)

2

deep deep

the illusion of downwards & its illustration

as across

a meadow

fall fell

that is his story
i have a different one to tell

three h’s & oh well a circle
logic is green
windows in which
the little ship is sailing
(not really but it pleases him to say so)
sleep in
the sun in the
shade the sleep
comes thru you
you are sleeping
sleeping
